

# 2023 Scholarship Essay Contest

The Pennsylvania AFL-CIO Scholarship Essay Contest is a chance for students to learn more about the importance of Organized Labor in America.

Over the years, we have awarded tens of thousands of dollars to students furthering their education.

Scholarships are available exclusively to Pennsylvania AFL-CIO affiliated union members and their families.

Scholarships are offered to students in two categories: graduating high school seniors (Class of 2023), and all post-secondary students.

## Essay Contest Categories

Unions have helped people gain economic security through good wages, strong benefits, and fairness in the workplace. The benefits of union membership are particularly important for working women who are still embroiled in the fight for equality in the workplace.

### Category 1: Graduating High School Seniors

Please provide a brief history of women in the labor movement and their role in advancing labor rights in Pennsylvania.

### Category 2: Post-Secondary Students

For the first time in their respective history, the PA-AFL CIO and National AFL-CIO have elected female presidents. Please provide an analysis of the importance of this and what it means for the labor movement.
